County Code #8 Resolution #1 Year 2012 (1)

RESOLUTION

Title: fees for certain fish and game licenses issued to resident senior citizens

The Problem:

The cost of permits/licenses to hunt and fish are one barrier to participation.

Hunter participation in the 65 and older age category drops off markedly.

Wisconsin is regularly ranked as one of the ten worst states in which to retire.

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in **[Insert name of County]** County on April 09, 2012 recommends that the Conservation Congress work with the department to take action to provide resident senior citizens deer, archer, sports, and conservation patron licenses at the same reduced price available to state residents who are under 18 years old.
