Title: The Merit of Spring Hearing Vote.

Problem:

Voting in Milwaukee County does not hold merit to voting on proposals in other counties. Even though you may, hunt fish, or own land in those counties.

Be it resolved that the Conservation Congress at it's annual meeting held in Milwaukee County on April 18, 2009 recommends that the Conservation Congress work with the Department to take action to correct this by counting all ballots on State level with no county by county information given out.
