Title: Applying for Bear tag

The Problem:

As more and more hunters are getting involved in bear hunting, it is taking longer to draw a harvest permit. Over the past several years there have been rule changes On how many years you can miss applying and not lose your preference points.

Present laws can be confusing. Knowing it could take up to 10 years to recieve a harvest permit.

Be it Resolved, that the Conservation Congress at it annual meeting held in Price County on April 13, 2015 recommends that the Conservation Congress work with the department to take action to correct this situation by introducing rule Change to allow hunters to Apply for 10 years at a time.
