Help Out on State Natural Areas

Sugar River Wetlands Workday

Help care for Sugar River Wetlands State Natural Area! Collect seeds from native wetland plants to scatter in areas where invasive plants have recently been removed. We'll identify several different plants and learn how to collect their seeds. This work will expand the quality wetland areas and continue the efforts started by the Upper Sugar River Watershed Association and Wisconsin DNR. No skills needed you will be trained onsite. See details below.

Date: September 23th

Time: 9am-noon

Directions: Volunteers and work leaders will gather where Epic Lane and County View Road meet in Verona, overlooking the Epic Systems campus to the east and the Military Ridge State Trail to the west. An approximate address is 2517 Country View Road, Verona, WI 53593. Google map.

What to wear: Clothes that are OK to get beat up, gloves, sturdy footwear (the ground may be wet or muddy).

What to bring: Drinking water, a paper grocery bag, and a sturdy scissors (optional).

Contact: If possible, please RSVP for the workday in advance by contacting Wade Moder at usrwa@usrwa.org or by calling 920-850-6902.

Next workday: October 28
