Motorized Recreation Committee:

The mission of the Motorized Recreation Committee of the Wisconsin Conservation Congress is to provide citizen input on the use and management of motorized recreational equipment and devices on public and private lands and navigable waters, on behalf of all those who utilize these resources. The committee will review current and proposed policies for motorized recreation equipment and devices on public and private lands and navigable waters and provide recommendations that take into account the wide range of public and private property user's interests. Further the committee will explore opportunities to engage and collaborate with existing motorized focused organizations and will promote the safe and responsible use of motorized recreation.
