Wisconsin Department of Natural Resources
Natural Resources Board Agenda Item

Item No. 5.B.1.

SUBJECT: Donation acceptance – Wisconsin Masonry Alliance

Wisconsin Masonry Alliance will donate $56,000. This donation will be used to cover costs related to the project coordinated through the Bureau of Watershed Management titled "Evaluation of the Water Quality and Winter Salt Reduction Benefits of Permeable Pavement.".

FOR: August 2013 Board meeting

TO BE PRESENTED BY: Secretary Stepp

SUMMARY:

Wisconsin Masonry Alliance, an independent representative of the Concrete Paver manufacturers of Wisconsin, supports the "Evaluation of the Water Quality and Winter Salt Reduction Benefits of Permeable Pavement" project. The purpose of the study is to determine the levels of pollutant reduction achieved by permeable pavement and underlying storage installed in a parking lot. Results from this study have potential benefits to federal and state agencies with permitting authority or MS4s who have the responsibility to meet permit requirements including TMDLs or other state and federal programs.

RECOMMENDATION: That the Board accept the generous donation of $56,000 from Wisconsin Masonry Alliance
