Title: Minneapolis Office Manager

The purpose of this form is to provide basic contact information with respect to engineers/firms that have experience working on dam projects. It is not intended to, nor should it be construed as advocating on the part of the DNR that dam owners use one engineer or firm in particular, or that a dam owner use any of the engineers/firms listed. The DNR neither endorses nor vouches for any of these engineers, their firms or their work habits, practices or results. Moreover, the DNR shall not be liable for any mishap, poor workmanship or design, hardship, difficulty, delay or other misfortune experienced by a dam owner or operator who uses the services of an engineer/firm that is chosen from this list.
