Resolution
"Split Area 53 into "A" + "B" Deer Zone."

My Resolution is to split Area 53 into 2 Zones "A" East + "B" West of the Wisconsin River.

There are more deer East of the Wisconsin River.

There is alot more Private land on the East Side of the Wisconsin River, that the Public can't Hunt on.

The Majority of the land on the West side of the Wisconsin River is Public or open to Hunting and is over Hunted

This would help control the deer Herd more Efficiently.
