File# O-72 – Dodge County 10.16 Acres

The Department was gifted this property by the Luther Memorial Church Foundation in July of 1993. It was accepted under the Extensive Wildlife Habitat program in Dodge County. This 10.16 acre parcel is isolated from other Department owned land, is located outside of a project boundary and has no road access. There is currently an access easement off the southwest corner of the parcel, which appears to not provide legal access to a road. There have been no infrastructure or management investments made on this property.

The Department recommends that the Natural Resources Board offer this land for sale under the authority granted by s. 23.145 Stats.
