Subject:	Foxconn water diversion
Date:	Wednesday, March 21, 2018 2:52:30 PM

The DNR should reject any requests from Foxconn to divert water from Lake Michigan.

Foxconn must abide by and obey all environmental regulations with regard to air, water and any other standard set by the state of Wisconsin and the federal government.

No exemptions should be made for Foxconn. If they cannot conform to regulations, they should not be permitted to do business in Wisconsin.
