To Whom It May Concern:

I am a resident of Milwaukee, WI and an ardent environmentalist.

I am **STRONGLY AGAINST** any project that does not go thru the proper channels of State and Local Permit Processing, DNR oversight, Public Dialogue and strict adherence to the Great Lakes Compact.

If this project meets the strict guidelines of water usage, I am in favor. If it does not, I oppose.

We are a land of laws, not exceptions for the wealthy and well-connected.
