

Angler R3 Program Grant Awards

Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
ACCESS ABILITY WISCONSIN INC, (AAW)	Outdoors Access for All! - Anglers	Dane	SC	Sarah Brenner, 715-492-0928	\$10,000.00	\$4,068.00	The purpose of this project is to increase recruitment, retention, & reactivation for disabled people who have mobility issues. This project will provide the means to use specifically designed outdoor wheelchairs for fishing, other mentor-based fishing programs and accessing public lands for fishing opportunities. Access Ability Wisconsin, Inc will purchase one Action Trackchair with accessories and an enclosed hauling trailer for free use by disabled anglers. The useful life of the chair is five years, according to manufacturer and distributor of the Action Trackchair.
GREEN BAY CHAPTER OF TROUT UNLIMITED	Trout Unlimited Veterans Services Partnership	Brown	NE	Sarah Brenner, 715-492-0928	\$7,530.00	\$2,510.00	The purpose of this project is to provide male and female military veterans and family members instruction in fly fishing as well as opportunities to use those learned skills on northern Wisconsin rivers. This will be achieved by conducting biweekly fly-tying and fly-casting instruction classes and providing three to four field trips per year for military veterans and family members.

HARRY & LAURA NOHR CHAPTER OF TROUT UNLIMITE	Women`s Initiative - Recruitment/Retention/Reactivation	Iowa	SC	Sarah Brenner, 715-492-0928	\$2,985.00	\$995.00	The purpose of the project is to provide women educational workshops where they will learn enough about fly fishing to give them a solid foundation to continue with the sport in the future. To achieve this, Harry and Laura Nohr Chapter of Trout Unlimited will provide at least six different clinics, workshops, and/or fish-a-longs to women.
MILTON HIGH SCHOOL	Fishing Club Grant	Rock	SE	Sarah Brenner, 715-492-0928	\$6,595.00	\$2,739.00	The purpose of this project is to expose youth to sport fishing and foster intergenerational connections among anglers to support transfer of environmental stewardship and responsible fishing attitudes and knowledge between adult and youth anglers. To achieve this purpose; the existing ice fishing club will be expanded to include open water fishing. Milton High School Ice Fishing Club also plans to partner with a local senior citizen center to hold various fishing and lure making events throughout the year and to provide older mentors to youth anglers.

URBAN ECOLOGY CENTER	Fishing in the Neighborhood Internship Program (FiN'tern)	Milwaukee	SE	Sarah Brenner, 715-492-0928	\$10,000.00	\$6,900.00	The aim of this project is to continue the FiN'tern program for the next two years. Fishing clubs and workshops will introduce new people to fishing, a critical first step to becoming an angler. The program will consist of training 1 new FiN'tern to teach 1 to 2 fishing programs per week to 140 participants, consisting of urban children and their families.
UW SYSTEM BOARD OF REGEENTS	Upham Woods Learning Center Angling Program	Juneau	SC	Sarah Brenner, 715-492-0928	\$8,920.00	\$2,975.00	The purpose of this project is to improve Upham Woods' existing fishing program in order to educate youth on fishing techniques and conservation. The program will recruit from non-traditional angling populations to increase diversity in the fishing community. This will be achieved by the following objectives: <ul style="list-style-type: none"> • Conduct eight fishing programs (four per year) for youth participants at Upham Woods Outdoor Learning Center. • Conduct two fishing classes (one per year) for adults at Upham Woods Outdoor Learning Center.
