Subject:	Please Reconsider Foxconn
Date:	Wednesday, March 21, 2018 7:34:07 AM

I am emailing because I strongly feel that Foxconn needs to be stopped and reconsidered. The history behind Foxconn is not positive so why bring it to Wisconsin? Please read Compact's very through reasons to why Foxconn would greatly endanger the Great Lakes and how the public is not aware of many things.
https://www.protectourgreatlakes.org/

Please reconsider.

Thanks,
Ellen Joannides
