Subject:	Public Comment: Do not allow the water to be diverted to Foxconn
Date:	Tuesday, March 20, 2018 11:19:05 PM

To whom it may concern,

Do not allow this community's 7 million gallon water supply to be sent to Foxconn. Do not grant them an exception to the ban. This is a gross misuse of resources with potentially harmful, toxic consequences for Wisconsin.

Sincerely,
Rena Yehuda Newman
Resident of Wisconsin
