Subject:	No to Foxconn water diversion plan
Date:	Tuesday, March 20, 2018 5:36:08 PM

The proposed water diversion for Foxconn corporation violates the spirit and probably the letter of the Great Lakes Compact. It looks to many Wisconsin citizens like the taking of a protected regional public resource for private gain. An independent DNR would reject such a plan. A politicized DNR might not, in which case shame on the decision makers
