Subject:	DENY Foxconn"s diversion application
Date:	Wednesday, March 21, 2018 12:43:31 AM

Hi there,

Please accept my emphatic plea to DENY FOXCONN this massive diversion, until they can prove environmental mitigation measures they will take to protect one of the world's largest and most precious bodies of fresh water, Lake Michigan.

This is not an economic decision but a human one. Please protect us all from greed and keep our ecosystems healthy. Please.

Gratefully,
Alysse Gear
Milwaukee
