

260107

Blue Ballot # 1

Title: Arms Transportation

The Problem:

The current Wisconsin law states "bows and crossbows must be unstrung or in a case whenever in or on a vehicle." This law does not allow for bows to be carried on bicycles. Many companies make bicycle bow racks and backpacks that strap bows securely but do not allow for a case.

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Iron County on April 16, 2007 recommends that the Conservation Congress work with the Department of Natural Resources to change the law to state "bows and crossbows must be unstrung or cased whenever in or on a motorized vehicle."
