

260207

RESOLUTION

Resolved: That the conservationists present at this meeting:

1. Object to the closing of any portion of Pool 11 of the Upper Mississippi River (the Potosi Pool) to open water hunting;
2. Demand that the US Fish & Wildlife Service amend its proposed Comprehensive Conservation Plan for the Upper Mississippi River to continue to allow Wisconsin hunters to engage in open water hunting on Pool 11 as now allowed.
3. Demand that the US Fish & Wildlife Service amend its proposed Comprehensive Conservation Plan for the Upper Mississippi River to eliminate all of the new closed areas proposed in Alternate E of that plan.
