## SPRING TURKEY HUNT

### Physically Disabled Hunters

Most disabled hunters have limited hunting opportunities. If there is incimate weather their hunting opportunities are greatly diminished.

BE IT RESOLVED at the Conservation Congress annual meeting held in Kenosha County on April 16, 2007 recommends that any physically disabled hunters who is successful in drawing a spring turkey tag, that the tag is good for all 5 or 6 time periods. Any additional tag purchases would be good for the time period it is purchased for.
