The Problem:

The availability of public fishing ground in many states is decreasing

Whereas, Wisconsin has good public fishing access and grounds availability.

Whereas, Wisconsin needs to preserve our fishing heritage, therefore

BE IT RESOLVED, the Conservation Congress at its annual meeting held in **Manitowoc** on **April 16, 2007**, recommends that the Department of Natural Resources take action to correct this situation by introducing legislation mandating no net loss of public fishing access or grounds.
