**ELIMINATE THE BACK TAG FOR BOWHUNTING**

THE BACK TAG WAS A CARRYOVER FROM WHEN ONE TAG WAS NEEDED FOR ONE DEER, AND IT WAS USED FOR GUN AND BOW. LATER, HALF OF IT WAS USED AS A CARCASS TAG.

WEARING THE BACK TAG NOW PRESENTS PROBLEMS WITH LAYERING OF CLOTHES, THE USE OF DAY PACKS, STANDS, BLINDS AND OTHER ITEMS CARRIED TO AND FROM A HUNTING SITE.

IT APPARENTLY IS NO LONGER NEEDED, AS NO OTHER STATE OR CANADIAN PROVINCE REQUIRES ONE FOR BOW HUNTING.

ELIMINATION OF THE BOW HUNTING BACK TAG WOULD BE A SAVING FOR THE DNR, AND A HUGE RELIEF TO THE BOW HUNTERS.
