Title: Target Shooting

The Problem:

Uncontrolled target shooting on state owned lands has adversely impacted the lives of residents and visitors. Areas of target shooting on State owned land are not defined, designed for the safe discharge of weapons. We encourage and invite our citizens to use and enjoy State owned properties but do not regulate target shooting on State owned land. By adopting this resolution everyone will be able to enjoy the great outdoors.

BE IT RESOLVED, the Conservation Congress at its annual meeting held in Columbia County on April 8, 2013 recommends that the Conservation Congress work with the Department of Natural Resources to take action to correct this situation by introducing rule change in the State of Wisconsin Administrative Code Section NR45.09 (5) to include Columbia County as highlighted and underlined.

(5) No person may possess any loaded or uncased firearm or air gun while within the exterior boundary of state-owned lands posted with department signs in Columbia, Dane, Dodge, Fond du Lac, Jefferson, Juneau, Kenosha, La Crosse, Manitowoc, Milwaukee, Outagamie, Ozaukee, Racine, Sauk, Sheboygan, Walworth, Washington, Waukesha and Winnebago counties or on state forest lands in the Kettle Moraine or Point Beach state forests, state recreation areas, state natural areas or on state trails established on railroad grades, except as follows:
