

Calumet 08 - Resolution #1

08-01-14

April 10, 2014

PROBLEM 1

The proposal rule change to allow one line trolling in 17 counties will have an adverse impact on the Muskie resource in the 17 counties by this proposal rule change to be allowed to troll with single line.

PROPOSAL

Anglers should be allowed to trail one line with live bait behind their water craft propelled with motor in conjunction with casting and retrieving another line or bait.

Be it resolved that the conservation congress at its annual meeting held on April 14, 2014 recommend that the conservation congress with the department to take action to allow trailing one line with live bait behind water craft propelled with motor in conjunction with casting and retrieving another bait or lure.
