

## **Next Steps for CWFP SLP Funding for wastewater projects on the SFY 17 Project Priority List**

If you decide to apply for an interest rate subsidy agreement (IRSA) through the CWF Small Loans Program (SLP) for your eligible project as listed on the SFY 17 Project Priority List, then you must do the following:

- Obtain **Facilities Plan approval** from DNR's Bureau of Water Quality, as applicable (<http://dnr.wi.gov/topic/wastewater/MunicipalPlanning.html>).
  - ✓ The Facilities Plan document should include information regarding environmental, historical, and archaeological review of the impacted areas.
  - ✓ Also as part of the facilities plan process, submit a parallel cost estimate (<http://dnr.wi.gov/Aid/documents/EIF/Guide/pcperc.html>).
- Submit a **complete CWFP Interest Rate Subsidy Application** (Form 8700-249), with all required attachments, to DNR's Bureau of Community Financial Assistance. Forms are available online at <http://dnr.wi.gov/Aid/documents/EIF/forms/forms.html>.

Please contact your DNR project manager if you have any questions or concerns about the application process. We're here to assist you!
