## **SDWLP SFY 2011 FINAL FUNDING LIST PUBLISHED**

We published the SDWLP SFY 2011 Final Funding List on February 10, 2011, on the News, Dates & Events webpage (<http://dnr.wi.gov/org/caer/cfa/EL/Section/news.html>). The Final Funding List identifies the fundable range (how far down the list the money will go) and indicates the amount and type of funding allocated to each project within the fundable range.

DNR project managers will send application acceptance letters in the near future to the municipalities that have projects that fall within the fundable range. Once an application is accepted and all necessary documentation is submitted, the municipality can work with their DNR project manager to schedule a loan closing. Loans for all projects being financed with SDWLP SFY 2011 funds must close by June 30, 2012.
