Notes:								
The department determined some projects are ineligible for SDWLP funds based on the Notice of Intent to Apply form or Priority Evaluation and Ranking Form received by 12/31/10.								
Ineligible projects are not included on the Project Priority List.								
¹ The priority score for each of these projects may increase after the SDWLP obtains median household income information from the U.S. Census Bureau for these communities. The priority scores shown for these projects do not include any points from the Financial Need section of the Priority Evaluation and Ranking Form.								
² The department has not yet assigned priority scores to these projects; the municipalities must submit more information before the department can determine whether these projects are eligible for SDWLP funds.
