

State Fiscal Year 2012 Update #1

News Update #2012-01 ~ Thursday, May 26, 2011

PLEASE READ ENTIRE UPDATE. It contains important information for Clean Water Fund Program (CWFP) and Safe Drinking Water Loan Program (SDWLP) applicants.

CWFP SFY 2012 HARDSHIP FINANCIAL ASSISTANCE APPLICATION DEADLINE: JUNE 30, 2011.

SDWLP SFY 2012 FINANCIAL ASSISTANCE APPLICATION DEADLINE: JUNE 30, 2011.

SFY 2012 Project Priority Lists

The CWFP and SDWLP State Fiscal Year (SFY) 2012 Project Priority Lists are now published on the Environmental Loans News page under “Current Funding Lists/Intended Use Plans – CWFP & SDWLP.”

Please note that both lists are missing some data in the Muni MHI columns. We expect to receive MHI information for sanitary districts from the U.S. Census Bureau in the near future. There may be changes to the project priority lists after we receive that data.

We know now that there will be a requirement included with our capitalization grants this year to again provide a certain percentage of our funds as principal forgiveness. We do not yet know the amount of principal forgiveness that will be required in each program. We expect information soon from the U.S. EPA that will allow us to determine the actual principal forgiveness dollars that will be available for projects on our SFY 2012 funding lists. The department will use the same methodology for distributing the principal forgiveness in SFY 2012 as was used in SFY 2011. See Update #1 (7/16/2010) under “Previous Posts” on the News page for information regarding that methodology.

If you have questions regarding SFY 2012 funding or the project priority lists, please contact Jeanne Cargill (for SDWLP information) at 608-267-7587 or jeanne.cargill@wisconsin.gov, or Becky Scott (for CWFP information) at 608-267-7584 or rebecca.scott@wisconsin.gov.
