## Public Comments Due July 13, 2016 on Methodology for Allocating LSL PF Funds

The Department has amended page 10 of the draft [State Fiscal Year \(SFY\) 2017 Safe Drinking Water Loan Program \(SDWLP\) Intended Use Plan \(IUP\)](#) to include methodology for allocating Lead Service Line (LSL) Principal Forgiveness (PF) funds should the funding requested in the submitted applications exceed the funds available. This draft methodology is available for comment until **July 13, 2016**.

Submit comments to Robin Schmidt, EL Section Chief, at [robin.schmidt@wisconsin.gov](mailto:robin.schmidt@wisconsin.gov) or Robin Schmidt-CF/2, SDWLP Intended Use Plan, Dept. of Natural Resources, PO Box 7921, Madison, WI 53707-7921

## Progress Update: SDWLP Applications

The DNR is processing the SDWLP applications submitted by the June 30, 2016 deadline. We will be reaching out to communities who requested private Lead Service Line (LSL) PF funding over the next few weeks to further discuss their applications. As indicated, the LSL PF program is new and DNR is trying to be as flexible as possible in establishing the program parameters to meet each municipalities' need. We are hoping to provide further information in August about the applications and types of projects being funded. Visit [dnr.wi.gov/Aid/documents/EIF/leadServiceLineFunding.html](http://dnr.wi.gov/Aid/documents/EIF/leadServiceLineFunding.html).
