CITY OF LA CROSSE	City of La Crosse - Cargill Pier Renovation	La Crosse	WC	Karen Blodgett, 715-836-6574	\$60,000.00	\$20,000.00	The City of La Crosse plans to expand the Riverwalk in Riverside Park. As part of this expansion they would like to renovate the existing Cargill pier, a former barge dock used for the transfer of grain. The City plans to improve the dock so that it can serve as a tie-up point for large (26' and larger) recreational vessels. Boaters may want to tie up in this location when using the facilities at Riverside Park or when enjoying the downtown area for shopping, eating and entertainment. The dock will also serve as an ADA accessible observation deck for pedestrians using the Riverwalk and as a shoreline fishing area.
