

## **URBAN WILDLIFE DAMAGE ABATEMENT AND CONTROL (UWDAC) GRANT**

### **MODEL RESOLUTION**

A resolution authorizing the submittal of a state grant application and subsequent appropriation of County funds for urban wildlife damage abatement and control.

Whereas the board of this governmental unit desires to control urban wildlife populations of white-tailed deer or Canada geese to abate wildlife damage and apply for state aids to do the following project:

Whereas this governmental unit shall comply with all financial record keeping and disclosure requirements and other requirements of s. 29.887 Stats., and s. NR 50.23 Wis. Adm. Code, pertaining to urban wildlife damage abatement and control, if state aid is obtained for urban wildlife damage abatement and control

Therefore, be it resolved that this governmental unit of \_\_\_\_\_, authorizes the (position title) as Authorized Representative to submit a state grant application to the Wisconsin Department of Natural Resources (DNR) for the urban wildlife damage abatement and control project identified above.

Be it further resolved that this governmental unit County Board does hereby appropriate a matching allocation for such project and such appropriations shall continue as long as state matching aids are available, or until this resolution is modified by this Board.

Be it further resolved that this governmental unit County is hereby authorized to expend the funds hereby appropriated and the funds to be received from the State of Wisconsin for the urban wildlife damage abatement and control project identified above.

Be it further resolved that this governmental unit County shall maintain appropriate records to document all expenditures made during and for the urban wildlife damage abatement and control project identified above and shall submit to the DNR a final report summarizing expenditures and describing objectives, activities, achievements and problems in accomplishing the project identified above. This governmental unit County Board hereby grants DNR employees access to inspect all planned operations proposed in the plan.

Be it further resolved that if the state aid was for completing an urban wildlife damage abatement and control plan, such a plan shall be completed within one (1) year of the grant contract being signed, and if the state aid was for implementing control projects identified in a urban wildlife damage abatement and control plan, such control work shall be completed within two (2) years of the grant contract being signed.
