

Wisconsin Department of Natural Resources
Natural Resources Board Agenda Item

SUBJECT:

Implementation of New Ferrous Mining Regulations

FOR: March 2013 Board meeting

PRESENTER'S NAME AND TITLE: Ann Coakley, Director, Waste & Materials Management

Information ITEM:

An overview of the new ferrous mining regulations and how they will be implemented will be provided.

SUMMARY:

The ferrous mining bill, Senate Bill 1, was signed into law by Governor Walker on March 11, 2013. This presentation will entail a brief overview of the new ferrous mining bill as well as a summary of how the department intends to implement the new regulations, including an outline of administrative rule modifications required by the new statute.

Estimated presentation and Board discussion time: 10 minutes
