---

As established by Wisconsin State Statutes, the Wisconsin Conservation Congress is officially recognized as the only natural resources advisory body in the state where citizens elect delegates to represent their interests on natural resources issues on a local and statewide level to the Natural Resources Board and the Department of Natural Resources. Their mission is to represent the citizens of Wisconsin by working with the Natural Resources Board and the Department of Natural Resources to effectively manage Wisconsin's greatest asset, our abundant natural resources, for present and future generations to enjoy.
