### **Shooting Range Ad-Hoc Committee:**

The mission of the Wisconsin Conservation Congress Shooting Range Ad-Hoc Committee is to represent the sporting public involved with shooting ranges in this state. The committee will look into and work with, but not be limited to the following issues at present: standardization of rules and regulations, the use of Pittman-Robertson funds allocated for range use, and environmental, legal, and social issues on shooting ranges by working with the DNR, the legislature, the Governor and Wisconsin citizens to effectively manage current and future Wisconsin shooting ranges for present and future people involved with the shooting sports to enjoy.
