

Conservation Congress District 3  
August 8, 2016  
Tomahawk, Wisconsin

Meeting called to order at 7:00 pm and a roll call found all delegates present from Vilas, Oneida, Lincoln, and Marathon counties; three excused absences from Taylor County. In addition Youth CC delegates Dan Johnson of Vilas and Ethan Schneider of Oneida were present.

DNR staff included David Walz, John K ?, Kurt Rollman, and Janet Rehm?

New bass virus found in Pine Lake in Forest County discussed; changes in motor trolling, fast track special regulation, minimum distance to have an unattended line in open water, several changes in bass regulations and muskies for North and South Twin and Little St. Germain.

Wildlife biologist Chuck McCullough described the CWD collection effort around the deer ranch in Three Lakes with the goal to collect 100 deer heads for sampling free ranging deer.

Ron Waller requested the winter District Meeting be held the last Wednesday rather than the first Wednesday.

Ken Anderson, recorder.
