Citizen Resolution # _____

(For Hearing Officer completion)

ADDRESSING TRANSFERING OF TAG ISSUES

Due to the over-abundance of people applying for preference points and the current tag transferring process, it takes many years to obtain these permits. Too many people in the system are applying for preference points with no intention of hunting themselves. Those same people are transferring their tags to non-family members.

Examples:

A hunter can transfer their tag to any hunter.

A hunter could sell their tag to the highest bidder.

A non-hunter who draws a tag can transfer it to any hunter, allowing that person to harvest an animal in consecutive years.

BE IT RESOLVED, to address the transfer of tags of all animal species, it is proposed that the Department would limit the transfer of tags to immediate family members (grandfather, grandmother, father, mother, son or daughter) only and the tag can only be transferred to a youth or a first time hunter.
