

Citizen Resolution # 270315

Resolution to initiate the selling of gift certificates for DNR license, fee, or permit purchases.

Each year the Conservation Congress accepts written resolutions from the public, in each county throughout the state regarding natural resource issues of statewide concern. These resolutions are introduced by the public in attendance during the Conservation Congress county meeting that is held annually in conjunction with the DNR Spring Fish and Wildlife Hearings in April.

In order for a resolution to be accepted for further consideration by the Conservation Congress and for public vote at the annual Conservation Congress county meeting, all resolutions introduced must meet the following requirements:

1. The concern must be of statewide impact.
2. The concern must be practical, achievable and reasonable.
3. The resolution must have a clear title.
4. The resolution must clearly define the concern.
5. Current state statutes and laws must be considered, with reasonable cause for change being presented.
6. The resolution must clearly suggest a solution to the concern and a description of further action desired.

Each year thousands of people enjoy Wisconsin's natural resources. The use of many of our natural resources require the purchase of a license, permit, or fee. While there are many ways these can be purchased, there is no opportunity for someone to provide others a license, permit, or pay a fee as a gift.

BE IT RESOLVED, That the Conservation Congress work with the DNR to create and implement the opportunity for customers to purchase gift certificates that can be used by others towards the purchase of DNR licenses, permits, or fees.
