

**ARRA - Wisconsin Clean Diesel Grant Program
APPLICATION CHECKLIST**

Applicants must complete and return the following items. As noted below, some items are applicable only to certain types of applicants or if applying for certain technologies.

1. Application Worksheet – print on legal size paper or on a CD (only if legal size paper is unavailable)
2. Price Quote Form(s) for each product/service requested – to be completed by vendor(s)
3. EPA or CARB verification letter from vendor - required for retrofit devices only
4. Written approval from equipment owner - required only if applicant leases any of the vehicles/equipment on application
5. Signed Certification Statement

NOTE: Incomplete applications may be rejected.

Return the completed application and forms to:
