**Air Pollution Control Permit And Order
Revocation Request Form
For Sources Seeking Registration Permits**
Draft Form 4530-157 (R 08/22)

Notice: This form is required under ss. NR 406.11(3) and 407.15(4), Wis. Adm. Code. Applicants for Type A Registration Construction and Operation Permits are required to complete a written request for revocation of existing construction and operation permits under ss NR 406.11(3) and 407.15(4), Wis. Adm. Code. It is not the Department's intention to use any personally identifiable information from this form for any other purpose. Wisconsin's Open Records law requires the Department to provide this information to others upon request [ss. 19.31 - 19.69, Wis. Stats.]. Read instructions before completing this form.

If you want to request revocation of your facility's air pollution control permits and/or orders for a reason other than eligibility for a Type A Registration Permit do not use this form. Instead, please submit a written request, by letter, to the address contained on this form, stating the permits and orders you wish to revoke and the reason for the requesting revocation.

Before you apply: Please make sure you are eligible for the Type A Registration Permits before you complete and submit this form (See Registration Permit Fact Sheet available at <http://dnr.wi.gov/org/aw/air/apii/regpermits.html>). If the Department notifies you that your facility's air pollution control construction and operation permits and orders are revocable, you may then apply for the Type A Registration Permits. Go to the Registration Permits web page at the link above to apply.

1. Facility name and Name

mailing address Street or Route

City, State, Zip Code

2. Facility location Street Address

City, County

3. Parent corporation Name

Street or Route

City, State, Zip Code

Country (if not U.S.)

Form 4530-157

**AIR POLLUTION CONTROL CONSTRUCTION AND OPERATION PERMIT
AND ORDER REVOCATION APPLICATION FORM INSTRUCTIONS .**

- Item 1 Provide full business name and address of corporation, company, association, society, firm, partnership, individual or political subdivision of the state submitting the application.
- Item 2 Street address where the air pollution sources are located.
- Item 3 If wholly or partly owned by another entity, identify that entity.
- Item 4 The responsible official is a person legally responsible for the operation of the permitted air pollution sources. For a corporation, this person must be the president, vice-president, secretary or treasurer, or other person with a similar level of responsibility in the company. Subsection NR 400.02(80e), Wis. Adm. Code defines "responsible official."
- Item 5 List the name of the Individual to contact for additional information concerning the permits and/or orders during the revocation process.
- Item 6 Provide the facility identification (FID) number that appears on the annual emissions inventory reports.
- Item 7 List all air pollution control construction and operation permits and orders that have been issued to your facility. You must request revocation of all of these permits and orders to be eligible to apply for a Type A Registration Construction and Operation Permit. Include all air pollution permits and orders including those that have expired, have been extended, have been superseded, or have a renewal pending.
- Item 8 Review the form and the certification statement and sign and date. Send the original and one copy of the submittal to the Department and keep a copy for your records.

SEND THE ORIGINAL AND ONE COPY OF THIS COMPLETED APPLICATION TO:
