Subject: WDNR Case Closure - GIS Registry Form 4400-202 for 02-05-217276 Acknowledgement

*** COPY ***

This email confirms on 11/28/2017 the Wisconsin Department of Natural Resources (DNR) Remediation and Redevelopment (RR) Program received Case Closure - GIS Registry Form 4400-202 (R 08/16) with fee(s) for:

02-05-217276 ONE HOUR MARTINIZING (MAIN)
1923 MAIN ST, GREEN BAY

The Project Manager conducted an initial Administrative Review of your submittal on 11/29/2017 and determined the following items and/or attachment(s) are missing, incorrect or incomplete:

(Attachment A)(4): Vapor Analytical Table(s) PM Comment: Provide a copy of the vapor analytical table(s) and label them A.4. Vapor Analytical Table(s). There were at least two sampling events.

(Attachment B)(4A): Vapor Intrusion Map PM Comment: Provide a figure depicting the vapor sampling points and label the figure B.4.a. Vapor Intrusion Map. There were at least two sampling events.

The Department does not consider your closure request complete, nor will the PM begin the technical review of your request, until the deficiencies listed above are corrected. Our regional Closure Committees typically meet on the first Thursday of each month. Please keep this date in mind for your future planning.

You may contact DNR Project Manager KRISTIN DUFRESNE at kristin.dufresne@wisconsin.gov or (920) 662-5443 with any questions.
