Neenah WI 54956

Subject: Response to February 5, 2013 Lien Removal Request  
BRRTS CASE # 02-71-228433

Dear Mrs. Shilobrit:

On February 7, 2013, the Department received your letter requesting that the two liens placed on your property located at 1231 S. Commercial Street in Neenah be removed without repayment. Your request was forwarded to Mark Giesfeldt, Bureau Director for the Remediation and Redevelopment Program, for review. After review it was determined that the Department cannot remove the liens without repayment. If at a future date a potential purchaser of the property for redevelopment is located, they can contact the Department to discuss the lien status.

If you have questions regarding this letter, please contact me at 920-662-5120.

Sincerely,

  
Roxanne N. Chronert  
Northeast Region Team Supervisor  
Remediation and Redevelopment Program
