Dear Mrs. Shilobrit:

The Department has reviewed your June 11, 2013 letter appealing the Departments April 2013 determination that the liens placed on your property cannot be removed without repayment. The Department has determined that the April 2013 denial was appropriate. If at a future date a potential purchaser of the property for redevelopment is located, they can contact the Department to discuss the lien status.

If you have questions regarding this letter please contact Roxanne Chronert at 920-620-5120.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark F. Giesfeldt'.
