Hi BJ,

Nice to speak with you yesterday.

I checked my "Junk Mail" and did not see anything from the WDNR prompting me for the progress report on the Ashview Terrace Apartments Site.

Looking at the previous report I see that the list of blanks to fill in on the progress report form are as follows:

- Submitted on
- Submitter Role
- Status: Remediation
- Comments
- PECFA Eligible

As we discussed, please enter the following for me:

Submitted on: 01/30/19
Submitter Role: Consultant
Status: Remediation: No Activity
Comments: This period included continued formulation of plans to provide landscape improvements for capping. Unable to implement plans in 2018 due to non-availability of landscape contractors.
Field work to execute landscape improvements planned for spring/early summer 2019.
PECFA Eligible: No

Thanks, and let me know if you require any additional information or have any questions.

Joe

Hi Joe,

I'm the new PM for Ashview; the official letter is attached.

In the letter I ask for an update on the site's timetable in your semi-annual progress report. If that's not enough time, let's go with 30 days instead. Let me know what you'd like to do.

The letter will go out to GP today; I don't have Michael's e-mail address.

Any questions, let me know.
BJ
