

## F A Q's about NASP

Q. What are the rules and requirements for the NASP tournaments?

A. The only requirement for the NASP state tournaments is that each school and student participating has had the NASP curriculum during the current school year during school hours. For more info and complete listing of rules please go to this link:  
<http://archeryintheschools.org/activea.asp?CompID=23&btnSubmit=ByFileCategoryID&cboApplicationID=321&cboFileCategoryID=1004>

Q. How do I tie in the string nock locator on my Genesis bow?

A. The brass nock locators are no longer NASP compliant. All bows must have either a tied in nock locator or the factory shrink wrap nock locator. Bows with brass nock sets will not be allowed at any NASOP event or tournament.  
To see how you can tie in a string nock locator please click on the link below.

Q. What are some fund raising ideas for my NASP program?

A. Wisconsin has several partners and sponsors that donate to schools for the purchase of the NASP equipment. Most of these will require a letter from the school, on school letterhead, explaining what the funds will be used for, the number of students and grades that will be impacted and that you're a NASP certified instructor. The current list is available by emailing Dan Schroeder @ [daniel.schroeder@wisconsin.gov](mailto:daniel.schroeder@wisconsin.gov) Mathews Archery also offers a promotional raffle bow that schools can use to raise money for the program. That info can be found here:  
<https://archeryintheschools.org/activea.asp?CompID=23&btnSubmit=ByFileID&cboFileID=6287&cboFileCategoryID=968>

Q. How do I register for NASP tournaments? When and where will the results be posted?

A. All local, state and national NASP tournament info and registration is done on line at [www.nasptournaments.org](http://www.nasptournaments.org)  
After the tournament is complete and the results are finalized those results can be found on the same web site. Please allow ample time for all results to be verified and approved.
