

Learn to Hunt Quail Workshop

Buena Vista Wildlife Area is hosting a FREE “Learn to Hunt Quail” workshop for college-aged students who are interested in learning to hunt this native game bird.

Selected participants will be required to attend a mandatory meeting that will take place Friday, October 18, 2013 on the UW-Stevens Point campus to prepare the participants for the mentored hunt. The quail hunt will be held on Sunday, October 20th, 2013 at the Buena Vista Wildlife Area (approximately 20 miles southwest of Stevens Point).

There will be one mentor for every workshop participant. Experienced dog trainers will provide well-trained gundogs to hunt over. A small game hunting license is not required to participate in this workshop. Firearms (if necessary), ammunition, and lunch will be provided for each participant at no charge. Orange safety clothing (hats, vests, jackets, etc.) will also be available to loan to participants.

If you are interested in participating in this program, please complete the attached Learn to Hunt Quail Application and return to Wildlife Biologist Cortney Schaefer at the address listed at the bottom of the application no later than **October 1st, 2013**. Selected applicants will be notified by October 4th, 2013. If you have any questions, please call Cortney Schaefer at (715)-359-6405.

Learn To Hunt Quail Participant Application

NAME: _____ AGE: _____
