The Gamekeepers: Wisconsin Wildlife Conservation from WCD to CWD

The book documents the rich history of the development of wildlife conservation in Wisconsin as a profession and how game management as a science evolved over a 176-year period from 1832-2008. The creation of the DNR as an agency is discussed as well as the colourful history of the wildlife professionals involved in Wisconsin's wildlife conservation and management.

The author, Dave Gjestson, is a retired DNR employee. He began his 31-year career with the Department when it was known as the, Wisconsin Conservation Department. His career started as a game manager in the southern Wisconsin area in 1968.

Proceeds from sales will be used to help offset publication costs.
