Section 101.143(4)(ee), Stats., provides the following:

Waiver of deductible. Notwithstanding par. (d)2., (dm)2. or (e)2., the department may waive the requirement that an owner or operator pay the deductible amount if the department determines that the owner or operator is unable to pay. If the department waives the requirement that an owner or operator pay the deductible, the department shall record a statement of lien with the register of deeds of the county in which the petroleum product storage system is located. If the department records the statement of lien, the department has a lien on the property on which the petroleum product storage system is located in the amount of the deductible that was waived. The property remains subject to the lien until that amount is paid in full.

The following documents must be provided before a decision can be made on a PECFA Waiver/Deferral of Deductible Application:

- This completed Waiver/Deferral of Deductible form; **and**
- A copy of a document that includes a **full legal description of the property** for which the waiver of the PECFA deductible is requested. The Deed to the property will include this information.
