Park Regulations and General Information

- Park vehicle admission stickers are required on all motorized vehicles that enter a state park. Hunters are encouraged to purchase stickers before opening morning to avoid delays at the office or self-registration stations.
- Hunters are responsible for parking in designated parking areas and other approved areas. All parking and traffic regulations apply during the hunting seasons. Off-road motor vehicle operation is prohibited.
- Non-hunting visitors are also enjoying the park during hunting and trapping seasons; they may or may not be wearing blaze orange. Make sure you know where closed areas, campgrounds, buildings, and trails are located to avoid user conflicts. Hunters should be especially aware of gun safety and be certain of your target and what is beyond it.
- Fishing with bow and spears is allowed no closer than 100 yards from a designated swimming beach or boat launch.
- Please see the DNR website or check hunting regulations regarding hunting blinds on state lands.
- All state regulations relating to baiting apply.
- Fires are permitted for campers in designated campfire rings only. No fires are permitted while hunting. Be sure all smoking material is extinguished.
- Certain exemptions from rules are allowed for Class A and certain Class B disabled permit holders.
- Local ordinances may apply within the boundaries of DNR property prohibiting actions such as the discharge of firearms. Please contact local officials for additional details.
- Please respect private lands within or near the state park while enjoying the outdoors.
- You are responsible for undertaking your recreational activity in a safe and legal manner.
