† Sites being addressed under the Dry Cleaner Response program are exempt from submitting a remedial action options report because the comparison of remedies is accomplished through the remedial action bidding process, which requires three to six alternative bids to be compared before a remedy is selected.
This document contains information about certain state statutes and administrative rules but does not necessarily include all of the details found in the statutes and rules. Readers should consult the actual language of the statutes and rules to answer specific questions. The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to Equal Opportunity Office, Department of Interior, Washington, D.C. 20240. This publication is available in alternative format upon request. Please call 608-267-3343 for more information.
