

# WISCONSIN BUSINESS RECYCLING TOOLKIT

**A step-by-step approach to developing a successful business recycling program.**

Wisconsin's recycling requirements apply to everyone in the state at all locations. Recycling "away from home" lags behind residential programs. Wisconsin's online Business Recycling Toolkit can help close the gap.

The toolkit provides **practical information** and **easy-to-use resources** to assist local responsible unit recycling program managers and business and other away-from-home facility managers to **plan for and implement successful recycling programs**.

## Responsible Unit Recycling Managers

### What you'll find:

- Step-by-step guide for planning and implementing a business recycling effort
- Tips for tracking performance and staying successful

## Businesses and Other Away-From-Home Facilities

### What you'll find:

- Getting started -- tips for setting up a successful recycling program
- Online, easy-to-use resources to help you
- Tips for getting the recognition you deserve for your efforts
