The DNR offers waste reduction and recycling publications in two formats: electronic and printed. Many publications are available electronically on the DNR website. To find them, go to dnr.wi.gov Search: Recycling publications. These publications may be printed and used as needed.

The publications listed below are available to order in print format. Please indicate how many of each publication you would like (no more than 100 copies per publication) in the space next to the publication.

Please complete the information requested on the back of this page for mailing purposes. Your materials will be shipped UPS, so no P.O. Boxes, please.

* Starred publications are also available in electronic format. See dnr.wi.gov Search: Recycling publications

Subscribe online and stay updated!
Want more timely updates on grant opportunities, changing waste and recycling policy, and current issues? Sign up for Recycling Updates! Subscribing is easy, and once you’re signed up, you’ll get monthly e-mail updates.

To sign up, visit dnr.wi.gov and search Recycling.

DID YOU KNOW?
If we recycled all the cell phones retired each year, we would save enough energy to power 18,500 homes for a year.
